1998 Buick LeSabre disable air ride suspension (how to ...

Absolutely hated the air ride this car had. Bouncy. Boaty. Like riding on the backseat of a school bus when you hit a dip. Went in fairly easy and straight forward. The ride is now a 10/10. Now I only drive a boat on the lake and not down the highway. If you have air ride, put these on now! Definitely a DIY project.
