Girls showing private part Publically - Metacafe

In the division of gender roles into separate spheres, a woman's place was in the private sphere, which included family life and the home. A man's place was in the public sphere, whether in politics, in the economic world which was becoming increasingly separate from home life as the Industrial Revolution progressed, or in public social and cultural activity.

Meyrowitz argues that "electronic media have tended to... blur the dividing line between private and public behaviours".2. An ideological dichotomy between domains gendered respectively as male and female, as in 'a woman's place is in the home'. The public sphere is that of adult males; the private sphere is that of women and children.

Public and private spheres - Oxford Reference

The private sphere was long regarded as women's "proper place" whereas men were supposed to inhabit the public sphere. [10] [11] [12] Although feminist researchers such as V. Spike Peterson have discovered roots of the exclusion of women from the public sphere in ancient Athenian times [13] , a distinct ideology that prescribed separate spheres for women and men emerged during the industrial ...

Historically, women and people of color have often been excluded from participation in the public sphere in the United States. Origins of the Concept The concept of distinct public and private spheres can be traced back to the ancient Greeks, who defined the public as the political realm where the direction of society and its rules and laws were debated and decided upon.

Private and Public Spheres in Sociology

These highly public official duties for women contradict the commonplace notion that women in ancient Rome took part only in private or domestic religion. The dual male-female priesthoods may reflect the Roman tendency to seek a gender complement within the religious sphere; [145] most divine powers are represented by both a male and a female deity , as seen in divine pairs such as Liber and ...
