The C400H rough terrain forklift has the ability to move loads up to 4,000 Kg (8,000 lbs) in less than ideal applications. This is made possible by the high ground clearance design of the chassis coupled with the larger diameter wheels. If you need more rough terrain ability opt for the 4x4 FullGrip© option. With its hydrostatic transmission, maximum comfort and safety are assured.

C400H Forklift | AUSA Official Website

The problem involved getting Freedman and his teammates to Tehran, almost 400 miles inland from American launching sites on land and sea. On April 24, 1980, as the sun set, a Navy helicopter element lifted off the flight deck of the aircraft carrier Nimitz. The helicopters dropped to low level, skimmed across the coastline and flew into central ...
