Many American critics believe that the major problem with public education today is a lack of focus on results. Students aren't expected to meet high standards, the argument goes, and the process of education takes precedence over analyzing education results in policy-making circles.. This is a valid argument (as far as it goes).

### **The Failure of American Public Education - Foundation for ...**

But don't confuse theme with the story's plot or moral. The plot is simply what happens in the story and the order of the story's events, and the moral is the lesson that the writer wants the main character (and by extension, you) to learn from the story.
