SACRAMENTO, Calif. — (AP) — California Gov. Newsom offered some of his most impassioned comments on climate change, denouncing the “ideological BS” of those who deny the danger and vowing ...

Amid ashes, California governor fires away on climate change

“The weather is changing because of the chemicals that human beings are putting into the air all over the world.” Newsom was more blunt, saying “unless we get our act together on climate change, unless we disabuse ourselves of all the BS that’s being spewed by a very small group of people,” then time to take action will be lost.
