Bright Futures Guidelines and Pocket Guide

The white pocket square can be an understated finer point for casual and business ensembles, and is a necessity for semi-formal and formal dress. Few things can add so much to a look with so little as a white pocket square can, and by that, we mean a true white square, as just pulling out the lining of your breast pocket isn't a viable option.

White Pocket Squares: The Definitive Guide for Men

This Pocket Guide has been developed from the Global Strategy for the Diagnosis, Management, and Prevention of COPD (2019 Report), which aims to provide a non-biased review of the current evidence for the assessment, diagnosis and treatment of patients with COPD that can aid the clinician.
