It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

TWO WOMEN SCENES FOR TEENS - Brooklyn Publishers

My thoughts: "Ohio" is a great comedic duet about two women lamenting on why they ever moved to NYC from Ohio. The scene that sets up the song involves the two women being accosted by drunken men and a flirty police officer. It's important to play off of this scene into the song so that the audience understands the context.
