You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read.

### Engineering Economics Solutions

Engineering Economics, Inc. (EEI) has been providing consulting services since our founding in 1984, originally specializing in retrofit designs and energy conservation projects. In 1991, we provided services for what would formally become the first "commissioning" project for the Fred Hutchinson Cancer Research Center in Seattle over 25 years ago. We invite you to learn more about our company and contact us with any questions.
