Generals & Zero Hour Crash when Alt+Tabbing in Fullscreen Mode If you run the game in Fullscreen (NOT Borderless Fullscreen) the game will sometimes crash when you attempt to Alt+Tab out of it. The fix for this is to use d3d8to9-wrapper, which improves compatibility and stability of the game significantly by converting all Direct3D 8-API calls and low level shaders to equivalent Direct3D 9 ones.

How to Play Generals & Zero Hour - C&C Community
