Critical legal studies (CLS) is a school of critical theory that developed in the United States during the 1970s. CLS adherents claim that laws are devised to maintain the status quo of society and thereby codify its biases against marginalized groups. Despite wide variation in the opinions of critical legal scholars around the world, there is general consensus regarding the key goals of ...

United Kingdom insolvency law regulates companies in the United Kingdom which are unable to repay their debts. While UK bankruptcy law concerns the rules for natural persons, the term insolvency is generally used for companies formed under the Companies Act 2006. "Insolvency" means being unable to pay debts. Since the Cork Report of 1982, the modern policy of UK insolvency law has been to ...
