Volvo Penta KAMD300

So for those of you who own KAMD 300's with more than 700 hrs...I'm about to schedule some pre-season service and I'm wondering what advice you might have for me as far as what I do and don't have checked and serviced? I use the maintenance schedule in the manual as a guide but I am also a worrier as I'd rather not get stuck 80 out. I am particularly interested in comments about when and how ...

KAMD 300s 700 hr service advice?

The serial number is a unique identifier for your product and is the key to efficient servicing and correct ordering of parts. It can be found on decals and/or plates on the product. However, the appearance and location may differ depending on model and year of manufacture. Refer to your operators manual to find the location of your serial number.
