Dr. Michael Laposata

But underutilization of medical lab tests is an equally significant problem. That's the message delivered here last Monday by pathologist Michael Laposata, M.D., Ph.D., during a presentation he delivered at the Sunquest Executive Summit. Laposata, who recently assumed new duties as the Chair of Pathology at the University of Texas Medical Branch in Galveston, Texas, was speaking about the value of what he calls "diagnostic management teams," or DMTs.
