Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Labour Law In China

The Labour Law of the People's Republic of China, is a law of China which has been enforced since 1995. It was promulgated by the Standing Committee of the National People's Congress of China on July 5, 1994, and came into effect on January 1, 1995. This Labour Law is the basic labour law of China. It's easily confused with the Labour Contract Law of the People's Republic of China because of similar names and unprecise media reports. Sometimes it's called the old labour contract law ...
