**Lola Lago Detective - 7 Volúmenes by Lourdes Miquel**  
The Lola Lago books are a great aid for people learning Spanish. They are interesting little stories using simple vocabulary. The reason why I rated this book as 4 stars rather than 5 is that the story itself was short, just 25 pages.

My first Lola Lago book and it's a brilliant tool to use alongside my normal Spanish texts. Some of the content has me reaching for a dictionary but that's why it's good - it helps to expand your vocabulary as well as being a good story. Each chapter or set of chapters (they're not too long) has an associated exercise at the back of the book.
