Mixerman Zen And The Art
Zen and the Art of Mixing - "I never thought anybody could write a meaningful book about mixing but Mixerman has done exactly that. I learned early-on that great recording engineering and mixing is largely a matter of keeping your mind out of the way and here is one man's brilliant approach to accomplishing precisely that."

Zen and the Art of Mixing | MIXERMAN
Zen and the Art of Recording - "Zen and the Art of Recording describes an approach rather than a recipe. This is important because in the real world nothing works the same way every time. This is an excellent overview of the issues to be considered along with a broad variety of proven techniques for addressing them."

Zen and the Art of Recording | MIXERMAN
Zen and the Art of Producing is probably the best book I've ever come across on the topic of music production (I've read quite a few). With his witty, signature style more matured than ever, Mixerman takes the reader on a journey through the process of producing a record, complete with all of the "under-the-hood" thought processes and potential trappings that present themselves along the way.

Zen Studio | Portable Interface | Antelope Audio
Here, with Zen and the Art of Producing, Mixerman tackles the subject of record production - a grander and somewhat more difficult undertaking. I began reading this 300-page tome with some trepidation, as I might not be his target audience, having spent so many years working out my own style of producing records.
