Nonprofit Essentials Endowment Building

It is critical that the organization -- board, staff, advisors -- agree that endowment-building is an invaluable step in capacity-building and sustainability. This means that there is buy-in across the organization for a program focused on deferred gifts; in my experience this is not easy to accomplish because it means spending money and time on "something" that won't be immediately apparent on the annual bottom line.

Consequently, nonprofit endowments face a never-ending battle against time. There are a few other issues to consider, too. Endowment building is a strategic decision that requires management attention and a relationship with donors. As such, organizations need to be prepared to commit resources for managing both money and people.

Should Your Nonprofit Build an Endowment? - Non Profit ...

The endowment can be set up within your existing nonprofit corporation, or it can be spun off into a separate 501 (c) (3) organization or foundation. Although it is not impossible to start an endowment on your own, you will want to get some help. Your community foundation may be able to help you, including holding the endowment for you.

How to Start an Endowment for Your Nonprofit

A nonprofit with an endowment may send a signal to the community and donors that the organization is thinking long-term and building assets for its own future sustainability. On the other hand, there are some endowments that are so very large (millions and millions of dollars) that the public may wonder why the organization doesn't spend the funds on current needs.
