### Out Of Sorts On Typography

In Out of Sorts Dane continues his examination of the ways in which the grand narratives of book history mask what we might actually learn by looking at books themselves. He considers the differences between internal and external evidence for the nature of the type used by Gutenberg and the curious disconnection between the two, and he explores how descriptions of typesetting devices from the seventeenth and eighteenth centuries have been projected back onto the fifteenth to make the earlier ...

Fit (adj): disordered, out of sorts. So, as far as the evidence we have indicates, the phrase 'out of sorts' long pre-dates the first use of the word 'sorts' to mean blocks of type. It may well turn out that pre-1562 citations of 'sorts' which refer to typesetting will be found; after all, Gutenberg invented movable type printing in around 1440.
