The core of any Satellite TV System is, of  
course, the Receiver (or Decoder as  
some refer to it). We used the Altech  
(UEC DSD4121RV) PVR ready version in  
the videos below. The Altech Receivers  
are designed specifically for the Optus  
Satellite Platform and not derived from  
another overseas market models.

The most important thing you should

# Download Free Philips Car Satellite Tv System User Manual

look for in a car satellite TV system is the packages that are available, including installation services and subscription fees. Be aware that the costs of installation and subscription vary from one system to the next, depending on factors like complexity of installation and the company's labor rate.
