06-07-2017 The preliminary reference procedure, provided for in Article 267 of the Treaty on the Functioning of the European Union (TFEU), is an institutionalised mechanism of dialogue between the Court of Justice of the European Union (CJEU) and national courts. This dialogue serves three principal purposes.

Preliminary reference procedure - Think Tank

Preliminary rulings are binding both on the referring court and on all courts in EU countries. Timing of referral and the staying of national proceedings A referral should be made as soon as it is clear that a CJEU ruling is necessary for a national court to give judgment and when it is able to define in sufficient detail the legal and factual context of the case and the legal issues which it raises.

EUR-Lex - 114552 - EN - EUR-Lex

A preliminary ruling is a decision of the European Court of Justice on the interpretation of European Union law, given in response to a request from a court or tribunal of a European Union Member State. A preliminary ruling is a final determinations of EU law, with no scope for appeal. The ECJ hands down its decision to the referring court, which is then obliged to implement the ruling. If, as in Factortame, the ECJ holds that a Member State's legislation conflicts with EU law, the Member State
