and gluing it in real time with mediagenic “messages of the moment” allows us to opportunistically AND pragmatically take advantage of dozens of story opportunities in real time.

Message strategy and public relations

Don't confuse a public relations message with that awkward dinosaur of the 1990's, the mission statement.

Public Relations

Worktext Strategic

Public relations (PR) is the practice of deliberately managing the release and spread of information between an individual or an organization (such as a business, government agency, or a nonprofit organization) and the public. Public relations (PR) and publicity differ in that PR is controlled internally, whereas publicity is not controlled and contributed by external
