Practical, common-sense approach

In *Sleeping Through the Night*, sleep expert Dr. Jodi A. Mindell offers practical tips and techniques for bedtime, rather than middle-of-the-night sleep training. With a supportive and encouraging approach, she demystifies baby and toddler sleep issues and offers the best and most successful strategies based on years of research.

Your common sense is your natural ability to make good judgments and to behave in a practical and sensible way. Use your common sense. She always had a lot of common sense.

Common sense definition and meaning | Collins English ...

e Common sense is sound practical judgement concerning everyday matters, or a basic ability to perceive, understand, and judge that is shared by ("common to") nearly all people. The first type of common sense, good sense, can be described as "the knack for seeing things as they are, and doing things as they ought to be done".
