Starling Game

Development

Essentials Book

Essentials is a book which will introduce readers to the Starling graphics framework within the context of developing a basic turn-based game. The book assumes intermediate knowledge of AS3 and Flash development, which makes it a good starting point for those who are already familiar with Flash and are looking to get into Starling development.

Ernest Starling
(1866-1927) was pre-
eminent in the golden
age of British
Physiology. His name is
usually associated with
his "Law of the Heart,"
but his discovery of
secretin (the first
