Beyond its walls, she belongs to a vast and invisible tribe of more than 22,000 homeless children in New York, the highest number since the Great Depression, in the most unequal metropolis in America.

Invisible Child: Dasani's Homeless Life - The New York Times

A good place to situate the start of theoretical debates about women, class and work is in the intersection with Marxism and feminism. Such debates were shaped not only by academic inquiries but as questions about the relation between women's oppression and liberation and the class politics of the left, trade union and feminist movements in the late 19 th and 20 th centuries, particularly in ...

Mutualists argue that most of the economic problems associated with capitalism each amount to a violation of the cost principle, or as Josiah Warren interchangeably said, the cost the limit of price. It was inspired by the labor theory of value which was popularized—although not invented—by Adam Smith in 1776 (Proudhon mentioned Smith as an ...

Mutualism (economic theory) - Wikipedia

While many welcome the economic benefits that come from the development of Louisiana's industrial corridor, the growth of petrochemical facilities has also seen pushback from citizens in its neighboring communities. One such clash in the heart of Cancer Alley has garnered attention from regulators, the media, and environmental health advocates.
