The French philosopher  
Henri Bergson coined  
the term open society  
in 1932. The idea was  
further developed  
during World War II by  
the Austrian-born  
British philosopher Karl  
Popper. Bergson  
describes a closed  
society as a closed  
system of law or  
religion. It is static, like  
a closed mind. Bergson

“The so-called paradox  
of freedom is the  
argument that freedom  
in the sense of absence  
of any constraining  
control must lead to  
very great restraint,  
since it makes the bully
