What is the  
Transcendent Reality?  
- Part 2/2. ... More than  
just the scientific facts  
and figures, living at a  
time of transition away  
from the dark age of  
the Kali Yuga, we now  
have access to extra-  
dimensional sources  
who can clarify and  
instruct us on this  
topic.

## **What is the Transcendence In Transcendent Reality? - Part 2/2**

In religion, transcendence refers to the aspect of God's nature and power which is wholly independent of the material universe, beyond all physical laws. This is contrasted with immanence, where a god is said to be fully present in the physical world and thus

And divine are transcendence and immanence; each is meant to express the relation between the divine and finite realities.

Transcendence means going beyond a limit or surpassing a boundary; immanence means remaining within or existing within the confines of a limit.
