Torts And Rights

The law of torts is concerned with the secondary obligations generated by the infringement of primary rights. This apparently simple proposition enables us to understand the law of torts (plural) as we find it in the common law. A rival (mis-) conception — exemplified judicially by the decision of the House of Lords in *Anns v Merton* and academically by Oliver Wendell Holmes' *The Common Law*, is that the law of tort (singular) is concerned with compensating those who suffer loss because of ...

understand the law of torts as found in the common law."

Torts and rights (Book, 2007) [WorldCat.org]

Intentional torts are acts committed with the intent to harm another, or to deliberately interfere with an individual's rights to bodily safety, emotional tranquility, privacy, control over property, freedom from deception, and freedom from confinement.

Tort Law - Definition, Examples, Cases, Processes

The practice of the courts to separate 'public authority tort liability'⁴⁵ from human rights liability is desirable for two main reasons - first, tort law and human rights law differ in their purposes and second, 'the human rights route is better suited'⁴⁶ for dealing with claims relating to breach of Convention rights.

Torts and Rights: Amazon.co.uk: Stevens, Robert ...

Rights-based liability is strict whereas duty-based liability depends on fault. Stevens, in a comparison of common law of torts with the civilian law of derelict, reminds his reader that common law is judge-made law whereas codes of civil law are not although it remains true that the civil law cannot be understood without the clarifications and developments by the courts.
